

## **The Courtyards Special Events Security Policy**

All owners and guests are governed by our condo documents.

The Board of Directors, in 2021, established a security plan for Mardi Gras.

Mardi Gras is a designated special event. Other special events will be determined and agreed upon by the Board of Directors and/or Management.

Each unit will be issued numbered wrist bands for guests during the event. Units 1, 2, 4 and 5 will each receive wristbands for four (4) guests. Units 3 and 6 will each receive wristbands for six (6) guests.

If the event is great than one day, there will be a different color code and/or design on the band for each day.

Each guest must wear their wristband that day until returning for the night.

The security guard on duty that day will insure only guests with bands will be admitted.

Fat Tuesday is a one-day event during the Mardi Gras season and wristbands will be required.

The policy and any revisions will be placed on our website.
